Have you been looking for a place, a group, where you could share your thoughts, your experiences, your ponderings and wonderings about God, Jesus, the Holy Spirit, prayer, Scripture, your own spiritual growth—or desire for it? You've come to the right place! Welcome to a group called "WOMEN AT THE WELL." The group honors confidentiality, acceptance and respect.

Women at the Well is a conversation. May our conversations help us gain a closeness to Jesus as the woman at the well did and may each of us be open to new possibilities in our own relationship with God. In sharing or listening to others, may it help us to look at our own lives and discover how each of us might draw closer to God. It might also remind us of God's goodness and faithfulness to us.

An evening likely includes input on a topic, listening to music or song, questions to sit with, thoughts individual women may have—lending itself to a discussion, some quiet time, or prayer of gratitude or concern.

***"The water I shall give will become in her  
a spring of water welling up to eternal life"***
